Name of Event: __________________________________________

Date: ____/____/____

Atlanta, GA

This speaking commitment and release applies to the participant ______________________ (the “Contributor”) presenting at the above-named event being held at Georgia State University, Atlanta, GA on the above-named date(s).

I. Contributor grants to the University System of Georgia by and on behalf of Georgia State University College of Law (“Georgia State University”) and its sublicensees a non-exclusive license to (a.) photograph, record, and reproduce the presentation on audiotape, compact disc, videotape, still photographs, digital recording, and other media (collectively the “Recording”) and to edit such Recording at Georgia State University College of Law’s discretion; and (b.) use, reproduce, transmit, and distribute the Recording for archival or other purposes, including posting the Recording on the Georgia State University website or iTunes U podcast service. [If the Recording is made available to the general public on iTunes U, Apple Computer, Inc. shall have the right to use, reproduce, distribute, and display the Recording throughout the world, by all means whether now knowns or herafter devised, for promotional and marketing purposes to demonstrate the iTunes U Site and Apple technology on Apple’s website, in Apple marketing collateral, at Apple sponsored venues and events, and for any other similar lawful purpose.]

II. Contributor grants to Georgia State University and its sublicensees a non-exclusive license to transcribe or close caption the Recording and to use, reproduce, transmit, and distribute the transcript of the Recording for archival or other purposes, including posting the transcription on the Georgia State University website or iTunes U.

III. Contributor grants to Georgia State University and its sublicensees the right (a.) to use, reproduce, transmit, and distribute any handout or supplementary materials in any format which is your original creation and which you make available as a supplement to your presentation; and (b.) to include such handout or supplementary materials in the work distributed before, during or after the presentation, including, but not limited to the Georgia State University website or iTunes U podcast service.

IV. Subject to rights granted to Georgia State University in Clause I II and III of this release, Contributor retains all other rights to his work and presentation. Contributor certifies that the content of the presentation and any handouts or supplementary materials does not infringe on any third party copyrighted material.

V. Contributor may request a copy of the Recording or, if made, a transcript of the Recording, from the College of Law.

I agree to the terms set forth in this document.
